

## Food Friends Code of Conduct

Our Code of Conduct is for everyone who is part of our Food Friends community. Food Friends is committed to providing a safe and supportive environment for everyone involved in our organisation. Please treat everyone with the dignity and respect they deserve.

At Food Friends, we are all accountable for the ways in which we work and have a duty to keep ourselves and others safe. We can do this by maintaining a respectful, caring and kind approach to those we come into contact with. Please remember to be responsible and accountable in the way you carry out your role. Do not act fraudulently or dishonestly or do anything that brings, or is likely to bring, Food Friends into disrepute.

It is important to respect other people's privacy and boundaries. Always be honest and transparent and you can expect the same from us.
